JOSIAH TURNER, Jr., EDITOR.

[From the New York Journal of Commerce.]

DANGER AHEAD.

That most conservative portion of the Republican party who are represented by the New York *Times*, must have been somewhat startled, if such a thing ever happens to them, by the heading of the leading editorial in Thursday's issue of that paper. In conspicuous type our respected contemporary prefaced its utterance with this most serious caption. "Congress a Source of Danger!" By what avenue is the attack to be made? Is the danger to the Constitution? We have all seen with how little reverence this ancient document is regarded in the halls of legislation, but we feel sure that a fresh onslaught on any portion of its yet unbroken defenses would call out no rebuke from that quarter. Is the attack on the purse? This is too old a story for a sensational heading. By every possible device the private resources of the people have been not only sapped and mined, but openly tapped and depleted, while our contemporary has faintly criticised, or smilingly applauded, as its changeful humor dictated, but never uttered the serious remonstrance. Is it peril to the material interests of the country by a system of perpetual agitation and reconstruction? This too is nothing new. Section has been arrayed against section; communities that were simply submissive under party rule, but would take no active agency in promoting the successes of those in power, have been cruelly wronged and oppressed; members duly elected to the national legislature, and fairly representing the people who sent them, have been rejected or expelled to make room for those who could present no plausible pretext for their claim to a seat; and whole States, whose people were quiet, peaceful, industrious and obedient to every requirement of even the most arbitrary laws, have been placed under the heel of a despotism which was too stern to be poltic if they had been ripe for a second rebellion.

Or is "Congress a source of danger" to itself? In peril of sinking below the level of ordinary respect? Threatened with a loss of character, or likely to make itself so odious and contemptible that the people will set some military Cromwell or other public leader to wipe it out, as was done with the old "Rump of the Parliament?"

But why do we pause at this terrible caption when we may learn all about the peril by plunging past the warning words into the body of the article? We dare the trial, and lo! we have the summoning up of this impending evil. After recounting some of the many grave omissions and commissions of this body on whose skirts is hung the mysterious threat, the *Times* gives us the following brief descriptions of the awful peril: "For nearly six months Congress has trifled with the people, until there is danger that the party itself will be made to suffer!"

And thus Congress is a source of danger only—to the dominant party! If this were all we confess that we should breathe more freely, and have much less anxiety for the adjournment of this remarkable body. We have not much present faith in the capacity of this particular party for the administration of public affairs, judging it in the light of its splendid opportunities, and from its recent experiments. For a long period its friends claimed that it was limited and hampered by its unfortunate attachments to a broken down executive. It demanded and obtained a new lease of power with out restraint or hindrance from one end of the land to the other. The *Times*, heretofore a leader and one of its foremost champions, now charges that its supreme legislature is a disastrous failure, dangerous to the whole party, and in need of instant rebuke and reformation. But what if the "party" itself is judged by the same measure, and held up to the same condemnation!

ARREST OF A DESPERATE CHARACTER.—A private detective was sent from this city for the purpose of capturing the notorious Pat Artis, who was suspected of being concerned in some of the various robberies that have been perpetrated in this vicinity recently. The officer come upon him Monday about twelve miles from the city. He had two revolvers, which he drew upon the officer as he approached him, but they failed to go off, the powder having been dampened during his perambulations through the swamps. The officer also drew a pistol and attempted to fire on Artis, but it also missed fire from the same cause. Artis then backed himself up against a pine tree, and as the officer approached he drew a bowie knife and attempted to plunge it into his body, but fortunately it only penetrated his clothes and slightly punctured the skin; whereupon the officer struck Artis on the head with the butt end of his pistol, knocking him down, when he was easily secured, and will probably be lodged in jail in this city to-day.

When arrested, Artis had about his person, we learn, five watches, two revolvers and a bowie knife.—*Wilmington Star*, 26th inst.

SHELBY & S. C. RAILROAD.—It is stated that there is every prospect of the construction of a Railroad from Morganton, N. C. to Yorkville, S. C. The company has organized, by electing Hon. Plato Durham of Shelby, President.

The company has been fortunate in the selection of its President; Mr. Durham has energy and fine executive ability, and the affairs of the company will be ably administered in his hands.

It is intended to build the road to the State line under the charter of the company, and from that point to Yorkville under the charter of the King's Mountain railroad company.—*Charlotte Observer*.

BUTLER AS A PHILANTHROPIST.—The Washington correspondence in the Baltimore *Sun* contains the following paragraph which will interest many of our readers if true:

General B. F. Butler has telegraphed to his agent at Hampton to locate the large body of insurgent colored squatters now on Smith's farm, in that vicinity, to free quarters on his lands lying on back river, where he owns extensive tracts. The negroes accept the offer, and thus is settled in a peaceful way, a difficulty that has threatened to result in a riot and bloodshed.

One of the novelties of Paris is a hat made of wood shavings, which sells for five cents, a really superior quality selling for twenty cents. The best looks as finely as the Panama, are of exquisite whiteness, light and comfortable, and with careful handling will last some days.

PATENT GLASS SUBMERGED

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon applications.

Having the exclusive right to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases.

MR. J. L. KITCHIN:

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR

FRIDAY, MAY 27, 1870.

"HOW THIS WORLD IS GIVEN TO LYING!"—JACK FALSTAFF.

When Shakespear put this exclamation in the mouth of fat Jack, he must have had in his mind's eye that class of the *genus homo* to which "our beloved" holds close affinity.

We said, some time since, that we could tell the Governor's editorials in the *Standard* by their want of truth and their sophistical arguments; by his ingenious manner of covering up what he desired to be hid, and his manner of twisting from their true intent facts that he could not conceal. In these arts he has few, if any, superiors.

In the *Standard* of Thursday is an editorial, evidently from the pen of the Governor, because of the number of perversions of truth it contains.

In the article alluded to, we are called a "hyena," for speaking of Stephens and Colgrove in the terms which truth and the circumstances of the case justified. If the *Standard* and the Radical party persist in making these men saints and martyrs, we have a right to show the world what *sort of* saints and martyrs they were; especially, when, in their labor of love, they step aside to assail us and the Conservative party, and incorporate into their ritualistic ceremonies a formula of lies.

The Governor defends his late friend Stephens, in regard to the chicken affair, in this way:

"We make bold to give his (Stephens') version of the affair, and to ask for a hearing for one whose lips are dumb on earth forever.

He was about to be conscripted in the Confederate service, and determined to cross the lines. He ordered his servant to kill two chickens, and with these and other provisions he made his endeavor to escape. They were killed in his own barnyard. When he returned after the war, he was indicted by his neighbor, who was a violent war man, for stealing chickens. A prejudiced jury found him guilty. But no liberal, or fair minded man, in Rockingham or Caswell, believed the charge that he stole them; and the accusation has always been considered as one of malice, and nothing else. This, therefore, accounts for the charge of stealing; and we will only add, that had Mr. Stephens been a Democrat, it would never have been heard from—for how many soldiers and conscripts in the Confederate army, now Democrats, did actually "confiscate" chickens, who have never been indicted! God knows the starving men needed food."

This is every word false, and we don't believe Stephens ever put up such a defense for himself. We repeated the charge of chicken stealing against Stephens during the time he sat in the Senate; if there had been any palliation or excuse, he certainly would have given it to his brother Senators. But he never attempted anything of the kind.

In regard to this affair about the chickens, we gathered the facts from a respectable merchant of Wentworth, from whom the chickens were stolen. He pointed out to us the location of his own house and that of Stephens', the lots being separated by a plank fence.

For a whole season the Governor's departed friend had been in the habit of "impressing," his neighbor's chickens, by opening the door of the corn crib on his lot, and when the chickens went in, would shut the door on them, killing only two at a time, except when he had company, and then taking three.

Stephens' cook, a hired woman, fearing that she might be suspected, told the merchant's wife of what was going on. She urged her husband, time and again, to have Stephens arrested for these thefts, but he answered that he disliked to fall out with one living so near him for the sake of a few chickens.

One day Stephens entrapped and killed two favorite pullets, in the usual way.—The cook called the merchant's wife to the fence, told her of the killing and showed her the dead pullets.

The lady then told her husband that, if he did not have Stephens arrested she would. Accordingly he took out a warrant, had Stephens arrested and brought immediately before a Magistrate, in the mean time notifying the cook not to pick the chickens. Stephens, of course, denied stealing the fowls, when the gentleman proposed that, with the officers, they should visit his premises. This Stephens refused to do, and he was bound over to Court.

There was no conscription about the matter, as stated, and "no prejudiced Jury," to decide against him, for the case never went before a jury at all. Col. Dillard, who was County Attorney for Rockingham at the time, informed us that Stephens pleaded guilty, submitted, and agreed to pay the costs of the prosecution, and sentence was not prayed against him.

We believe this story or explanation about the chicken affair has been manufactured since Stephens' death. We should not have noticed it, however, but for the attacks made upon us in connection with it, and the endeavor to hold us up as making false charges against those who have rendered themselves obnoxious in their *official* positions under Governor Holden's administration.

We did not make the charges during Stephens' life time, without proof of what we said; the force of that proof is not diminished by the fact of his death, nor by any concocted story the *Standard* may publish.

THE GOVERNOR, THE LEAGUES AND THE KU KLUX.

The Governor is evidently alarmed at the success of his own work. He is the head centre of a secret society, a large number of the more prominent members of which issued an Address, in 1868, the inevitable tendency of which was, to incite the rank and file of the party to all manner of crimes and outrages on society; and these teachings have been most effectually carried out, as is seen by the burning of dwellings, mills, and barns, and the shooting at the owners when they rush out to save their property.

The Governor is also Chairman of the State Executive Committee of the party to which the authors of this address and their disciples belong, and is the guiding spirit of all their political movements.

He is the author of an article, or most of an article, which appeared in this morning's *Standard*, in regard to the death of Stephens and the Ku Klux in Moore county. In this article it is asserted that the meeting of the people of Caswell, on Monday last, "came too late," and that the resolutions were adopted "in fear of retaliation."

Says the *Standard*, "We say this in all candor, for while we believe that Mr. Brown and a few others are in earnest, we do not believe that the great majority of the white people of Caswell, to whom Mr. Stephens was odious on account of his politics, are ready to lament his death any more than the editor of the SENTINEL."

Such sentiments and such declarations well become a malignant partisan, who once called President Lincoln "a fool, a brute and a tyrant," and asked, long before Booth thought of it, "who will plot for the head of Abe Lincoln?"

The most remarkable part of this article, however, is that furnished wholly by the Governor, himself, we allude to the evidence of one Daniel A. Graham, but before what tribunal is not stated. This Graham testifies, so says the Governor, that A. H. McNeill, Clerk of the Superior Court of Moore county, belongs to a band of Ku Klux, who have been murdering and burning in that county.

Graham acknowledges himself a Ku Klux, whose purpose is to overthrow the Government of the United States! He gives, as his accomplices, A. H. McNeill, J. B. Cole, W. F. Cameron, Murdock Ferguson, Glen Riddle, George McCulloch, James Oates, James Cole, W. J. Munnis-y, Howard Gilliam, Gilmus Mill, Ham. H. Riddle and a Mr. Buffaloe; Fred. Swan, at Swan's Station; J. O. Bryant, at Jonesboro'; M. Blue, at Union; Wm. McLean, at Cedar Grove, and D. C. Cameron, at Poly Branch.

He testifies that certain of these parties, or their associates, burnt Jacob Sterling's house, and that they had agreed to assassinate the Governor! He also says they shot Ed. Blue and murdered his wife and five children.

The Governor has had this evidence in his possession, he says, for several weeks. He either believes the statements to be true or he believes them to be false. If the latter, then he is guilty of a high moral crime in publishing them, in order to increase the excitement of the public mind and make false impressions at home and abroad. If he believes them true, why has he let the matter lie still so long—and why does he yet delay to have the parties arrested? He says the law cannot be executed—here was a fair chance to test the matter and prove his complaints true.

If he believes what he has published, why has he not called on the law abiding people of the State to assist him in the suppression of such horrible crimes; and in case of refusal on their part, he would have a better plea to ask for U. S. troops than he did when troops were sent to Alamance.

But who is this Daniel A. Graham, and who took down this evidence? Before what Magistrate or Judge did he appear? Was his confessions voluntary, or was he summoned by any process.

This is an administration of secrecy; it was put in power by a secret organization, and all its movements are clothed in mystery. It has its secret signs and passwords, and sends out its secret spies and detectives. It conjures up a goblin in every bush and imagines a Ku Klux in every mill boy. The Governor's spies and informers come to him by night, and his secret instructions are issued by the dim light of the midnight lantern.

But this is in accordance with the whole tenor of his past political life. He is ready to sacrifice the peace of society to his own political success.

The course the *Standard* has taken is calculated to produce mischief and mischief only. It misrepresents and distorts facts, and is calculated by its course, to suggest and incite retaliation interminably. The Governor can get any assistance he may need to execute the laws of the State. But this would not suit his plans; it is necessary to keep up excitement for party purposes, and hence every effort is to be bent in that direction.

We call upon the people to rebuke and frown down all these inflammatory movements, and to discountenance all lawlessness.

NEW BISHOP OF THE METHODIST EPISCOPAL CHURCH SOUTH.—It is reported that the General Conference of this body, in session at Memphis, has elected the Rev. Dr. Keener, of New Orleans, as a bishop. Only one bishop was to be chosen, and if Dr. J. C. Keener is the man it may be interesting to state that he is a native of Baltimore, and a son of the late Christian Keener, Esq., of this city. The new bishop is the editor of the New Orleans *Advocate*, and the presiding elder of that district. He is about fifty years of age, and one of the leading men of the South and Southwest in the Methodist Episcopal Church South.—*Baltimore Sun.*

WRECK NEAR BEAUFORT.—A large square rigged vessel is reported capsized near Cape Lookout, a few miles from Beaufort.—The name is unknown. The number of sharks and other ravenous fishes near the wreck, denote the cargo to consist of beef, pork and other provisions. What has become of the crew is unknown.—*Journal of Commerce.*

CONSERVATIVE MEETING IN LOUISBURG.

LOUISBURG, N. C. May 21st, 1870.

In accordance with previous notice, a number of the citizens of Franklin County assembled in the Court House in Louisburg, to day.

Maj. Daniel S. Hill called the meeting to order, and moved that Bennett Gay, Esq., be called to the Chair, which motion was adopted. Capt. J. S. Joyner and Robert M. Furman were requested to act as Secretaries.

By request of the Chair, Charles M Cooke, Esq., explained the object of the meeting, which was to elect delegates to represent the county of Franklin in the District Convention to be held at Franklinton on the 7th and 8th *prox*, and to determine upon such plans for the approaching campaign, as would secure to the Conservative party a triumphant victory.

On motion of C. M. Cooke, a committee consisting of one from each Township was appointed to draft resolutions expressive of the sentiments of the meeting. The Chair made the following appointments: From Sandy Creek, John E. Thomas; Hayesville, Thomas Blacknall; Franklinton, A. W. Wilson; Gold Mine, W. T. Collins; Cypress Creek, Willie Crowder; Louisburg, Maj D. S. Hill; Cedar Rock, T. W. Davis; Freeman's, B. J. King; Harris's, Dr. G. M. Cooley; Dunn's, Capt. W. S. Harriss.

While the Committee was retired, the Rev. James Reid being called upon, came forward, and excused himself from making a speech, but urged upon the people, a harmony of acting, in kindly feeling one toward another, and a determination to work together for general good.

W. R. Barham was invited to address the meeting, which he did in a few well worded, forcible remarks, and urged the selection of men faithful and true, to fill the offices, thereby securing to the whole people, regardless of party, an honest government.

Encouraging speeches were also made by Messrs. W. K. Davis and C. M. Cooke.

The Committee returned, and through their Chairman, Maj. Hill, reported the following:

The following resolutions are adopted by the Conservative and Democratic citizens of Franklin, in public meeting assembled:

Resolved, 1st. That we repeat the declarations made by us in Convention at Franklinton on the 12th of July 1869, that we are in favor of universal suffrage and General Amnesty, a strict and faithful observance of the constitution, obedience to the laws, an honest and economical expenditure of the public money, and a reduction of the expenses of the State government, whereby our people are oppressed with heavy taxes.

Resolved, 2nd. That we condemn the wasteful extravagance, as well as the corrupt expenditures of the Radical party now in power; that we are opposed to all "Rings" and factions which seek to control legislation for private ends, and we earnestly desire to see honesty and economy again prevail in every department of the State government.

Resolved, 3rd. That the misapplication of the public school fund by the dominant faction which has had unlimited control and rule in the State for the past two years, meets our unqualified condemnation; and the manner in which this fund—sacred to the purposes of education—has been squandered, plainly demonstrate the hypocrasy of the Radical leaders in their professions of devotion to the education of the poor children of the State.

Resolved, 4th. That the hurried and unadvertised sale of the swamp lands in a large body to a "Ring" at less than one-fifth of their value, and without any public steps having been taken to invite competition among bidders, was a gross fraud upon the people of the State of a like character as those perpetrated in what was known as the Penitentiary swindle, is the sale of Rail Road Bonds belonging to the State at 55 cents in the dollar, being one-fourth less than their known value, and in the issuing of millions of the State Bonds to irresponsible men and Known swindlers, whereby the credit of the State has been blasted, and her character well nigh ruined, and for all this a Radical Governor and Legislature, having absolute control of the State, are responsible, and we call upon all honest men to mark with disapprobation the men who have brought such shame upon this, our honored State.

Resolved, 5th. That John T. Deweese having been elected to Congress by appeals to the prejudices of the colored voters of the District, aided by white native Radical leaders, we do not feel that has exposed knavery, and expulsion from Congress should be regarded as a reproach to us, or to the honest men, white or colored, of the Radical party who were misled into his support; but it should be held as a disgrace and reproach to the native Radical leaders who are no better than Deweese, and we receive as a good omen, the fact that our colored people and the honest white men of the radical party have become disgusted with carpet baggers so called and we call upon them to assert their independence and manhood by abandoning all oath bound secret leagues, first organized by these carpet baggers and their associate white native Radical leaders commonly called scallawags, for the purpose of controlling their votes; and we ask the colored people to cooperate in a spirit of friendship with their white neighbors and best friends in electing honest and intelligent men to office, and securing the enactment of such laws as will conduce to the welfare of all alike.

6th. That we are opposed to any laws that will deprive any class of our people, whether white or colored of their rights. That all true people in North Carolina have a common interest, and that it is the duty of all to work together to promote this common interest, and to that end we desire to cultivate relations of harmony and good will between all classes and colors, and we regret the fact that these kindly relations are so often placed in jeopardy by secret, oath bound political societies, (whether Ku Klux or Leagues.) We believe it to be to the interest of all, that no such secret political societies or Leagues should exist, and we believe, too, that the quiet and good order which has characterized the county of Franklin, is in a great degree due to the fact that the mass of the white people of the county have abstained from following the evil example of Gov. Holden, John T. Deweese and other leaders of the Radical party in organizing secret Leagues, and we ask all colored men who wish to be free in fact, to quit these midnight secret societies, composed of men who are ashamed to let the world know what they do, and support openly and freely such men and measures as their judgment may approve, without fear of the hypocritical men who control these Leagues.

7th. That there ought not to be any affiliation between the true and honest men of the State by whose labor and energy she must be supported, and the swindlers and plunderers who have plunged her hopelessly in debt; and we call upon the honest men, without distinction of color, who have hitherto acted with the Radical party, not only to "set aside the late Legislature" as the Radical party themselves have done, finding their ignorant and corrupt legislation too heavy a burden to carry, but we call upon them to be careful to see that no more of the same sort are elected to places of profit or trust.

8th. That we condemn the base hypocracy of Radical leaders, who, while professing to be in favor of universal amnesty and universal suffrage, yet keep in force laws which exclude a large number of the most respectable white people of the South from their political rights, thereby frequently, as has been said by Mr. Ferry, the Republican Senator from Connecticut, depriving the newly enfranchised voter (the colored man) from voting for his friend and neighbor.

9th. That the expenses attending the administration of public justice, and of the county finances, under the system introduced into this State by Tourgee and other characterless adventurers, is more than our people can bear, and we are in favor of the introduction of speedier and cheaper remedies at the earlies practical period.

10th. That the suspension of the writ of *habeas corpus* in times of peace, is dangerous to civil liberty and to the rights of the people, and the attempts which have been made by Gov. Holden and other Radical leaders to suspend this time-honored writ, sacred in the hearts of all freemen, and introduce military rule into the State, meets our unqualified condemnation.

11th. The rights of the colored people having been established by the Constitution of the United States, and the State Constitution of North Carolina, to which we yield a cheerful obedience, we declare that it is not our purpose, in any way, to attempt to interfere with or disturb their rights; and, throwing aside all dead issues, we call upon them to unite with us in carrying out such measures as will promote their welfare, as well as the welfare of the white race.

12th. That this meeting appoint five delegates from each Township to represent the county of Franklin in the District Convention, to be held at Franklinton on the 7th and 8th of June next, to nominate candidates for Congress.

The resolutions were unanimously adopted.

The following delegates were appointed to the District Convention:

Hayesville.—H. H. High, Mark Allen, Sebastian Macon, James Wilson and Benj. Smith.

Sandy Creek.—J. E. Thomas, P. S. Foster, W. H. Littlejohn, R. A. Speed and Jas. Deboam.

Cedar Rock.—Dr. W. C. Lankford, W. K. Davis, Peter Pearce, Wm. Coppage and S. M. Boon.

Cypress Creek.—W. Harris, James Wilder, W. H. Yarboro, H. J. Baines and Calvin Peppin.

Harris'.—Dr. G. M. Cooley, Dr. E. A. Crudup, A. J. P. Harris, W. R. Young and J. J. Harriss.

Dunn's.—T. G. Riley, A. H. Hopkins, W. S. Harriss, Dr. J. C. Fowler and John Griffin, Jr.

Freeman's.—Rich. Holden, Sr., L. H. Joyner, W. J. Freeman, L. C. Crocker and B. J. King.

Franklinton.—W. H. Mitchell, Wm. Wilder, A. W. Wilson, Chas. Perry and Capt. J. S. Joyner.

Louisburg.—N. M. Hawkins, D. S. Hill, C. M. Cook, G. G. Gill and W. H. Ballard.

On motion, the chairman and secretaries were added to the delegates, and all citizens of the county who might be present at the Convention, are authorized to consider themselves as delegates.

The following resolution was adopted:

That we recommend to each township to organize at the earliest practicable day, by appointing an Executive Committee of five; and that each township appoint delegates to meet in Convention in Louisburg, on the 18th day of June next, to arrange the campaign for the county.

Speeches were made by Capt. J. J. Davis and W. S. Harriss, in which the Holden faction in this State, and its corrupt and profligate administration were handled in the forcible style usual to these gentlemen.

It was moved, that the Raleigh SENTINEL, Warrenton *Gazette* and other papers of the District be requested to publish these proceedings.

On motion, the meeting adjourned.

DISTRICT CONVENTION.

The District Conservative Convention will be held in Franklinton, June 6th and 7th, to nominate candidates for Congress, and to make arrangements for the Congressional campaign.

COUNTY CONVENTION.

The Wake County Convention will meet in Raleigh on Saturday, June 4th, to appoint delegates to the Franklinton District Convention.

PROF. BREWER IN TROUBLE.—A friend from Chapel Hill gives us the following incident:—

Prof. Brewer recently accused a little boy of stealing a book which the lad said he had picked up from the floor of the room. The boy reported the insult to his mother, who had not the strength to chastise the insolent carpet-bagger, as the widow Harris, of Montgomery did Davis; but she happened to have a big son, and this big son met the Professor, soon after, in Mr. Ward's tailor shop.

Instead of making use of the goose or the sleeve-board, the young man gathered the Professor by the collar and gave him a good shaking. We have not heard that Brewer has made application for troops.

We are sorry to have to add that the young man so far forgot himself as to imitate the Governor by using "cuss words" at Brewer while shaking him up. We hope that, next time, he will be more considerate; we mean in regard to "cussing;" he may shake him as much as he pleases.

THE RAIN AND WIND.—The "long season" continues. Yesterday afternoon we had quite a gale, by which several trees on the streets and fruit trees on private lots, were blown down. The rain continues today and the atmosphere is considerably cooler.

OAKWOOD CEMETERY.

We learn that on account of other engagements and the state of his health, the Rev. Dr. J. B. Smith has resigned his office of Secretary and Superintendent of Oakwood Cemetery. P. A. Wiley, Esq., the excellent Cashier of the Raleigh National Bank, has been appointed Secretary of the Association and Mr. Jno. Waters has been appointed Superintendent.

These are excellent appointments. Mr. Wiley is well known, Mr. Waters is a practical gardener of great experience. He is already at work and will soon occupy the new cottage, at the west gate of the Cemetery.

The Association has likewise employed Mr. Englehardt, a landscape gardener of great skill and taste, who, with some twenty or thirty hands, is rapidly improving the Cemetery grounds. The dam across Quarry Branch, exclusively made of granite, is finished, the lakelet, "Gross mere," will soon be full, and with its winding shores and over arching trees will be very lovely. The banks of "the Brooks," which run from two springs in the centre of the grounds, are being sloped to graceful angles. New avenues and paths are being laid out, and soon Oakwood will be one of the most attractive places about the city.

We learn, further, that the promoters of this Cemetery does not design any antagonism to the present City Cemetery. On the contrary, many lot owners in the new, will retain their lots in the old, where the bones of their ancestors are mouldering into dust. It is manifest that all available space in the old Cemetery will, in a few years, be appropriated. The proprietors foresee the need of enlarged grounds for the burial of the dead, in a very short time. They desire to anticipate this necessity. They have no intention to make money. They design expending all the receipts, after paying necessary expenses, for purchase of land, &c., in beautifying and adorning the grounds. They have thirty-eight acres of hill and dale, with two branches running through, and one rising in the midst of the land. They have every variety of soil, lying well for cultivation, and suited to burials either in graves or vaults. They have fine natural groves of oak and poplar, and have planted many evergreens and deciduous trees of various and most approved kinds. The hills command extensive and beautiful landscapes.

The Association is no "close corporation." There are forty two share owners, the largest owning only five shares, and they are willing that new stock may be taken. In order that all may be enabled to purchase homes for their dead, they have reduced the price of lots until December 1st next, to $25 each, a sum at which none can complain.

We think this pious enterprise should have the good will and hearty "God speed" of all our citizens. There is nothing which more refines a people than the proper adornment and care of the "homes of their dead."

The negroes of the 2nd Congressional District met in Newbern, on Wednesday last and re-nominated David Heaton, the present incumbent, for re-election to Congress from that District.

The Conservatives of Sampson county have nominated J. R. Maxwell, Esq., for the House of Representatives.

As an evidence of the way that Americanisms or slang creep into or become a part of the language, we note a law proposed in the constitutional convention of Illinois, in which railway companies are forbidden to water their stocks.

The seventeenth annual meeting of the Medical Society of North Carolina, convened in Wilmington, at the Court House, Wednesday morning at 10 o'clock.

The meeting was called to order by its President, Dr. Chas. J. O'Hagan, and the opening address, welcoming the delegates was delivered by Dr. S. S. Satchwell.

The chair announced the Committee on Credentials as follows: Drs. W. G. Thomas, R. H. Winborne and R. L. Payne.

The roll was then called and the following members answered to their names: Will. Geo. Thomas, S. S. Satchwell, W. S. Curtis, E. A. Anderson, C. T. Murphy, H. H. Robinson, Hugh Kelly, R. H. Winborne, G. A. Foote, W. R. Sharpe, R. L. Payne, F. M. Rountree, M. A. Locke, Chas. J. O'Hagan, J. Francis King, J. W. Jones, Thos. F. Wood, Walter Debnam, Duncan N. Patterson.

There being no quorum of the Board of Medical Examiners, the question arose as to the eligibility of applicants who had not passed the Board of Examiners, but who had now no opportunity of obtaining the license. After mature deliberation and some conflict of opinion the following resolution was passed: That the members of the Board of Examiners now present, together with the Committee on Credentials, be authorized to pass upon the qualifications of applicants. After patient deliberation the Board made the following report:

To the Medical Society of North Carolina:

We find the following gentlemen from the New Hanover Medical Society, duly accredited to this meeting: Drs. Satchwell, Wood, Walker, Bellamy, King and Bulle.

The following gentlemen are recommended as permanent members of the Society: Drs. David Sloan, Joshua C. Walker, Wm. Knorit, Wm. J. Love, Charles Duffy, Jr., George N. Enoch, James S. Robinson.

W. G. THOMAS, Cairman.

The Chair appointed the following committee:

Nominating Committee: G. A. Foote, D. N. Patterson, W. G. Thomas, F. M. Rountree.

Finance Committee: Walter Debnam, R. L. Payne, W. G. Curtis.

The Secretary read a letter from the Secretary of the Cape Fear Club, inviting the Society, in the most courteous manner, to the privileges of their Rooms. Also, an invitation from the Wilmington Library Association to enjoy the advantages of their Rooms. On motion of Dr. C. T. Murphy, the thanks of the Society were tendered to each of those bodies for their cordial invitations, and the Secretary was directed to communicate the sense of the meeting.

The resignation of Dr. Thos. C. Pugh was read and accepted.

At 1 o'clock the Society adjourned to meet again at 4 o'clock, p. m.

In the afternoon the Society met at 4 o'clock.

The committee on credentials recommend Drs. Willis Alston, Levi L. Alexander, Walter Brodie, Alex. S. Jones, Geo. F. Lucas, Jos. L. Knight, Chas. L. Killebrew, H. Otis Hyatt, W. J. H. Bellamy and James McKee.

Dr. S. S. Satchwell entertained and instructed the Society with a paper on the topography and diseases of New Hanover county, reviewing the natural history of the diseases of the county and criticising the modern and ancient plans of treatment.

On motion, the meeting then adjourned to meet at the Theatre at 8 o'clock, to hear the delivery of the Annual Oration by Dr. C. T. Murphy.

We are indebted to the columns of the Wilmington *Journal* for the above.

The Wilmington *Journal* speaks in glowing terms of the address delivered by Dr. C. T. Murphy, before the State Medical Society, in the City Hall of that city, on Wednesday evening last. "The Heroic Character of the True Physician," was the theme upon which the Doctor spoke.

NOMINATING CONVENTION IN DUPLIN.

Pursuant to a resolution adopted at a previous meeting of the Conservative and Democratic citizens of Duplin county, recommending a convention of authorized delegates from each township to assemble at Kenansville on the 21st inst., for the purpose of nominating candidates for the ensuing election; said delegates assembled and organized by calling Benjamin Oliver to the chair, and requesting Alsa J. Brown to act as secretary. Whereupon the meeting proceeded to nominate members of the Legislature and county officers. Col. Wm. A. Allen was unanimously recommended as the choice of the people of this county to represent this Senatorial district. John D. Stanford and Dr. N. E. Armstrong, were nominated as candidates for the House of Representatives. John McArther for county Treasurer. James M. Sprunt for Register of Deeds. Bland Wallace for Sheriff. Hugh G. Maxwell for county Surveyor. Uriah Herring for Coroner. D. T. McMillan, Bryant A. Williams, Joel Loftin, R. M. S. Grady and Alsa J. Brown, for Commissioners.

Dr. J. A. Blount introduced the following resolutions, which were unanimously adopted:

Resolved, That the chairman of the Convention appoint a Committee of five members (Isaac B. Kelly, John C. McMillan, Col. A. M. Faison, Benjamin Wetherington and Thos. J. Armstrong, appointed) to be called the Executive Committee of the Democratic and Conservative party of Duplin county.

Resolved further, That it shall be the duty of said Executive Committee to represent the Conservative and Democratic party in any Senatorial District Convention that may be held for the nomination of a candidate for Senator of this district, and this Convention hereby instructs said Committee to use their best efforts to secure the nomination of Col. Wm. A. Allen for Senatorship.

Resolved further, That we pledge to unite our undivided efforts to secure the election of the candidates nominated by the Convention, and invite a cooperation of all good men to join us in a common effort to rescue the State from the rule of bad men now at the head of affairs.

On motion it was ordered that the proceedings be sent to the Wilmington *Journal*, Goldsboro' *Messenger* and Raleigh SENTINEL with the request that they be published.

During the meeting Col. Wm. A. Allen made a short and eloquent address, then the Convention adjourned, after which, Col. Wm. E. Hill, Republican, made a lengthy address, in which he gave carpet baggers and plunderers some severe and well aimed blows.

The utmost harmony prevailed throughout the meeting.

Dr. Backus of Baltimore, Rev. Dr. Van Duke of Brooklyn, and Hon. W. E. Dodge of New York. The presented resolutions expressive of fraternal regard and followed them with remarks in which it was stated that they came not to ask for re-union, nor to ask for immediate correspondence, but to ask the appointment of a Committee to meet a similar Committee appointed by the Northern General Assembly, and confer respecting the varied matters and questions of jurisdiction, property, &c., &c.

LATER.—The municipal election resulted in the election of H. K. Ellyson as Mayor, and the whole Conservative city ticket by a handsome majority.

The Conservatives are marching around in the rain to the different newspaper offices cheering for their success.

In Norfolk it is estimated that the Conservatives have carried that city by fifty majority.

RICHMOND May 27.—The rejoicing of the Conservatives last night was premature. The counting of ballots show that the Republicans elected George Cahoon, Mayor, and their city ticket. The Council is still in doubt, ballots not yet counted.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

PURELY MUTUAL. DIVIDENDS PAYABLE AT THE END OF THE FIRST YEAR AND ANNUALLY THEREAFTER.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combustion Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Gen'l. S. B. BUCKNER,	Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

JAMES P. LUCAS, President.

CAPITAL STOCK, (PAID UP,) $150.000.00!

Stockholders bound for Double the Amount of Stock!

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Citizens of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, James H. Lucas, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience; men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans, and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

UNPREGEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in preminms and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as we have the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch, or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at MRS. TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Wiseou's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis.*
